

## DAY 4 Wednesday, June 16, 2010

### LEAVE YOUR WORRIES BEHIND WHILE IN OCHO RIOS.

On the north coast of Jamaica lies the town of Ocho Rios, best known today for the very thing it was named after. Flowing water. And lots of it. Cascades of cool mountain water plunge past lush foliage into smooth limestone beds, just before pouring into the turquoise blue of the Caribbean. The town's name, after all, was derived from the Spanish word "chorreras," which means waterfalls.

And the most famous in all of Jamaica is the Dunn's River Falls. You can climb the falls, take a swim in the ocean, or just sit back and take in beauty of this natural wonder. Another popular attraction is Dolphin Cove, where you can swim and interact with the dolphins. Or you can head to the crafts market where you can find plenty of woodcarving, art, drums and other handmade gift items. However if you decide to spend the day in Ocho Rios, take a moment to appreciate the Jamaican way of life—no worries, no problem.

### Step Into The Rhythm

- Take it easy. You're in Jamaica mon. Time to seriously slow down.
- Listen to the reggae. Bob Marley fan? Who isn't! Learn about his legacy, and maybe even find a rare album to add to your collection.
- Have a cup of Java. And while you're at it, buy some extra Jamaican Blue Mountain Coffee to take home. It's good stuff!
- Try the jerk. You've never had barbecue like this! The spicy seasoning of jerk chicken, pork or fish is a Jamaican specialty that'll leave your mouth watering for more.

### Back Onboard

- "Secrets In Art" Seminar**  
Learn the story behind the artwork. Join Dan your Art Auctioneer, for this revealing glance into the greatest works of art in history. Free work of art for all who attend. 4:30 pm in Boleros, Deck 4.

Hosted by our own Maestro, Musical Director Shawn Robson. Join us for our LIVE music concert starring all of our talented musicians onboard the Freedom of the Seas. Don't miss this terrific event especially designed for LIVE music lovers. 7:45 pm, Arcadia Theatre, Deck 3.
