

DAY 6 Friday, June 18, 2010

FEEL THE WARMTH OF COZUMEL

Cozumel has always been many things to many different people. For the Maya, it was a spiritual sanctuary, a sacred shrine. The Spanish Conquistadors believed it to be a gold mine, literally. And for the 17th century pirates, Cozumel was a base of operations. Even today, the island has many faces—a diver's dream, a shopper's paradise, an archeologist's playground, and a vacationer's haven.

With so many options, where do you begin? The ancient Mayan city of Tulum is not very far from the port and certainly worth the trip. The azure waters are ever so tempting, whether you go on a deep-sea fishing adventure, a snorkeling excursion, or just admire the view from the white sand beaches. And of course, Cozumel's many duty-free shops, delicious restaurants and lively bars are always a great way to get the full Mexican experience.

Shop, Dine & Enjoy Yourself

- Practice rolling your R's. The Mexican people are known for their hospitality. Especially when you try to speak the language.
- Bring an extra shopping bag. Cozumel is a shopper's paradise. For the best buys, try the shops along the waterfront, the crafts market and Punta Langosta Pier.
- Have a margarita. On the rocks. With or without salt on the rim. Accompanied by a mariachi band. Anyway you have it, it'll be the best you've ever had!
- Try an authentic burrito. Here in the Yucatan, many of the dishes use the same local ingredients once used by the Maya. Absolutely delicious!

 • Cover your mouth and nose with a tissue when you cough or sneeze, and then put your used tissue in the waste basket.
 • If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
