CRUISE COMPASS

Liberty of the Seas®

DAY 6 Friday, May 7, 2010

WELCOME TO LABADEE, OUR VERY OWN PRIVATE PARADISE.

On the north coast of Haiti sits a tropical haven we can call our own. Set amid spectacular mountains and lush foliage, Labadee, our third and final port of call, is reserved exclusively for Royal Caribbean International guests. Though privately owned, this breathtakingly beautiful destination still retains much of its local color. In 1492, the island was discovered by Christopher Columbus on his first voyage to the New World. Originally named "La Isla Española" it was later colonized by the French, whose influence is still prevalent in both culture and language.

As you venture ashore to the white sandy beaches of Labadee, you'll undoubtedly appreciate its natural beauty. Spend the day basking in the sun, or engage in one of the many water sports available. Read on to learn more about all the fun things you can do while onshore.

Connect With The Locals

1. Find the perfect souvenir. Woodcrafts are a specialty here in Labadee. Visit the local artisan village and take home a beautiful handmade memento.
2. Speak the language. While French and Creole are both the official languages in Haiti, most locals prefer to speak the island's patua. Creole is a combination of mostly French vocabulary and grammar derived from various African languages. Here are few phrases that'll come in handy: Good morning: **Bonjour** Good afternoon: **Bonswa** / Excuse me: **Eskize Mwen** Please: **Souple** / Thanks: **Meci** / You're welcome: **Merite**

Back Onboard

- **Family Karaoke**
All ages welcome, however children under 12 years of age must be accompanied by an adult. Great for the whole family. 8:00 pm – 9:00 pm, On Air, Deck 3.
- **Studio '84 '80s Dance Party**
Flashback to the '80s with the music of Bon Jovi, Cindy Lauper and many more. Break out your leg warmers and Miami Vice suits for a dance party that will take you back in time. 10:15 pm, Studio B, Deck 3.
- **The Quest**
Join the madness-or rather, the addiction-of this zany adult scavenger hunt. You'll be hooked within the first few minutes! 11:00 pm, Studio B, Deck 3. Adults only.

GET ENTERTAINED

Look inside for today's show schedule.

ENVIRONMENTAL TIDBIT

Liberty of the Seas has an advanced wastewater purification system that actually cleans its wastewater before discharging it. How does it work? A biological reactor uses a good kind of bacteria to break down all the bad stuff. Cleaner water. Cleaner planet.

WHY NOT traverse a mountain in minutes...without ever breaking a sweat? Go zip lining in Labadee.
