Either way, we want to make sure you enjoy your last day at sea to the fullest.

GO OUT WITH A BANG

- Climb to the top. If you haven't already, challenge yourself at the rock climbing wall. Or try it again, and go a little higher.
- Get on the dance floor. Learn a new step. Show off your moves. Grab a partner. Or do a little freestyle.
- Savor every last bite. If you haven't already tried out one of the specialty restaurants, you might want to treat yourself to one last delicious supper.
- Indulge yourself. With whatever it is that you love to do. Maybe it's a new hobby you picked up on the ship, or an old interest you never have time for back home. The day is yours to do whatever you please. Enjoy!
